

Chinese-American Oceanic and Atmospheric Association
P.O. Box 1614, Greenbelt, MD, 20770, U.S.A

DATE: 9 March 2010

Dear Colleagues:

The Chinese-American Oceanic and Atmospheric Association (COAA), in collaboration with the Chinese Ocean and Underwater Technology Association (COUTA), is organizing the 5th International Ocean-Atmosphere Conference. The conference will be held from June 28 – 30, 2010 at Taipei, Taiwan.

The conference aims to bring Chinese professionals on ocean and atmosphere science and technology to exchange ideas and experiences in the practical application of innovative sciences and technologies related to ocean and weather observing and forecasting systems, climate change and global warming. It is also a means for senior scientists and engineers to provide helpful information for younger ones to stimulate the knowledge transfer from generation to generation.

On behalf of COAA and COUTA, I would like to extend a formal invitation; we would like you to give a presentation and share your knowledge and experience with your Chinese colleagues at the conference. We hope you will be able to accept our invitation.

IMPORTANT DATES

31 March 2010: Abstract Submissions

15 April 2010: Notifications

15 May 2010: Camera-ready of accepted papers

28 - 30 June 2010: COAA Conference in Taipei
